**Re: Siemens Industry, Inc. Submittal of Revised Part B Application  
EPA ID No. AZD 982 441 263**

Dear Mr. Zabaneh:

Accompanying this letter, please find three (3) hard copies of the Siemens Industry, Inc., Parker Arizona facility's revised Part B Application. This submittal is being made in response to EPA's February 6, 2012 letter.

Each copy of the permit application consists of two boxes. The first box of each set includes a cover page, table of contents, a list of drawings and Siemens' response to EPA's comments dated September 28, 2011.

In addition, at EPA's request, we have included a flash drive with the electronic version of the application. The flash drive contains three (3) electronic folders: 1) a clean copy of the permit application in PDF format, 2) a mark-up version of the permit application in PDF format and 3) native files (Word or Excel) of the Sections.

Thank you for your cooperation.

If you have any questions, please feel free to call me at (928) 669-5758.

Sincerely,

Monte McCue  
Director of Plant Operations  
Siemens Industry, Inc.

Cc: Ms. Terry Dock – CRIT EPO (w/ Electronic Copy)
